

This week, we ask if you would talk to your parents, or as a family, about a few things.

At our last in person gathering we asked what you wanted to learn about, why you thought you were here, and how we could make your gathering better.

So, we would like you to discuss these things, write your findings down, and get them to us so we can make any changes that we need to for you.

To your parents, ask them: why the faith is important to YOU, why you want your faith to be handed down to me, why you want God to be a part of my life, why it's important to you that we learn and grow in our faith.

To you, what topics about faith, our Catholic faith, would you like to learn more about. While we have been doing a variety of topics, we want it to be something you are curious about. (God, Jesus, Holy Spirit, Trinity, Mary, Saints, angels, demons, heaven, hell, purgatory, scripture, sin, mercy, grace... there are countless topics)

Lastly, we talked about learning through more activities and games, which is fine, but if there are other ways that will motivate you to participate. (Maybe it's creating a lesson on our own to share with the class.)

Please share any other information that will benefit you or the class when we gather.
